What Residents are Saying

KA.

"The Gossamer is an excellent place to live. After touring several apartments and living here, I can definitely say this building is one of the best. If a fan of modern/industrial feel then this is THE place. Another plus for living at the Goss is its walkability to anything one might want to do. Whether it's going to Powell's Books, some of the best food in Portland, experiencing the nightlife, etc. The monthly events they have as well are a great time to interact with the various people throughout the building, and meet some of the cutest pups!"

There's a cool new cocktail joint in the heart of NW Portland called @sideeyepdx! It's the brainchild of the awesome folks behind your favorite local spots like Palomar, Two Wrongs, Sugar Hill, QD's, Jackie's, and Le Clown. Swing by for some seriously good cocktails, mocktails, and yummy bites - you gotta try their Blooming Onion and killer cheeseburger. If you're looking for your next go-to hangout spot in the neighborhood, this is it!

Package Pickup

Keep Your Packages Safe!

We know how exciting it is to get packages delivered, and we're doing everything we can to improve security and keep them safe. However, we need your help! To avoid any mix-ups or missing items, please pick up your packages as soon as they're delivered. The longer they sit, the greater the chance they could go missing. Let's work together to keep your goodies secure and make The Goss an even better place to call home! Thank you for your cooperation!

Pet of the Month

Frida

Meet Frida: a four-legged queen of perfection, wrapped in fur and a healthy dose of fear. She's not just any dog—she's her mom's greatest achievement (literally, she gave birth to her). Frida isn't afraid to bark at her boyfriend, the TV, or even the void itself—but the second a train rolls by, she's rethinking all her life choices.

Her hobbies include burrowing in the sheets (mole vibes, but make it chic), snuggling her mom (her favorite human/creator), and bravely avoiding the floor because walking is a little too risky for her

taste. She also loves hikes—just don't ask her to touch the ground too much—and perfecting the fine art of being perfect.

Frida might be scared of the world, but she's fearless in her devotion to her mom, who she loves above all else. Congrats, Frida, on being the Pet of the Month—a well-deserved title for a truly unforgettable pup!
