Pet of the Month

Chi

Meet Chi, the reigning queen of The Gossamer! Named after Chicago, but trust us—this pup is anything but shy. Chi just celebrated her first birthday, but don't let that fool you—she's still working the "I'm just a puppy" card to get away with everything. And honestly? It's working. Who could say no to that face? She's also under investigation for being too human—but we'll let the jury decide on that one. Until then, she'll be busy charming her way through the halls, soaking up the love, and proving that she runs this place. Give Chi some extra pets when you see her around!
