Live Well

Reset & Recharge in the Sunshine

Stepping Into the Sun: Refresh Your Space & Recharge at Home

Let's be honest—after a long, gray Oregon winter, pulling ourselves out of hibernation mode takes a little time! But with consistent June sunshine finally making a regular appearance, it's the perfect moment to shake off the drizzle and soak up that much-needed Vitamin D. Whether you are looking to create a private oasis right outside your bedroom or want to catch some fresh air with your neighbors, we have the perfect ways to help you reset and recharge right here at home:

Create Your Balcony Escape: You don't need a total overhaul to reclaim your private outdoor space. Try dropping by a local Portland nursery for a few hardy patio plants or bright summer flowers to bring your railing to life. Swap out heavy winter blankets for lightweight outdoor pillows, or string up some simple fairy lights to instantly transform your balcony into the ultimate spot for morning coffee or sunset unwinding.

Utilize Our Shared Spaces: If you need a change of scenery, our gorgeous outdoor common areas are officially ready for you! Head upstairs to work from your laptop with a fresh breeze, curl up with a good book in a cozy corner, or grab a friend for an impromptu weekend hang. Our shared spaces are designed to be an extension of your home, so next time the blue sky peeks out, consider this your sign to grab your sunglasses and head outside.

Pet of the Month

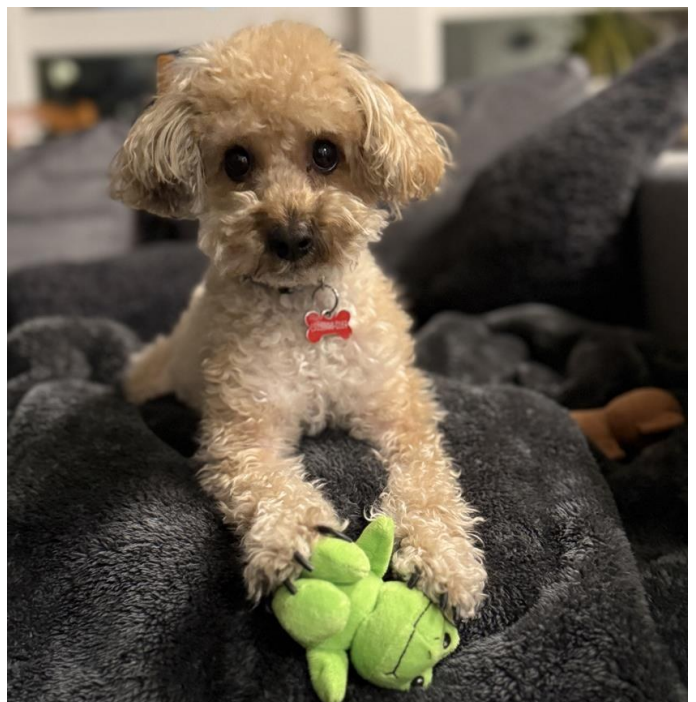

Tito

Gossamer's Pet of the Month: Meet Tito

Say hello to Tito, a fabulous 3-year-old Yorkipoo who is officially stealing hearts at The Gossamer! First things first: he was named after the famous taco stand in LA, not the vodka.

When he isn't busy being a connoisseur of YouTube Dog TV, you can usually find him perched on the back of the couch, people-watching out the window, and monitoring the neighborhood. Tito is a true social butterfly who genuinely believes that every single human and dog he meets is his new best friend!

If you see him trotting around the community, feel free to call out one of his many nicknames: Tito-tot, Tito-frito, Tito-bandito, or Tits. Give him a big wave next time he's on couch duty! Congratulations, Tito!
