March Resident Events

March - Resident Yard Sale!

Spring Cleaning & Community Lobby Sale at The Goss!

It's time to give your unwanted items a second chance at life! On **Saturday, March 21st**, we are hosting a booth-style "yard sale" right in our very own lobby. Since we don't have an actual yard, we're bringing the treasures inside to make it easy for everyone to browse and shop.

Whether you're looking to declutter after some spring cleaning or hoping to find a unique "new-to-you" gem, this is the perfect resident-only event to swap and shop within our community.

When: Saturday, March 21st, 2026. 11:00 AM- 1:00 PM

Where: The Lobby.

Want to Sell? Please check in with the leasing office by phone, email, or text to reserve your table.

Let's keep the good vibes (and good deals) flowing!

What Residents are Saying

RC.

"No place I would rather be in this city, or in Oregon for that matter! If my heart didn't call a sunnier state home, I would probably stay at The Gossamer for the next 5 years. The area makes not having a car incredibly easy; there is no shortage of good food, drinks, and necessities all within walking distance, plus public transportation is a breeze with how centrally located the building is. Since the building is newer, I can easily say this is the first apartment in my 15 years of renting where everything just works! Mind boggling... I know! Even if a problem does arise, maintenance is on top of it, and I've never felt any of the frustration I was so accustomed to from all my previous apartments. My partner and I (and our dog) are very happy here overall!"

Local Feature

Courier Coffee

Local Perk: Courier Coffee Roasters

If you're looking for the ultimate "Portland" coffee experience, look no further than Courier Coffee. Located just a short stroll away at SW Oak and 10th, this local gem perfectly captures the city's DIY spirit. What started as a bike-powered delivery service has grown into a beloved neighborhood hub focused entirely on freshness and craft. You won't find flashy menus here—instead, enjoy house-roasted, single-origin beans brewed to order (often served in their signature mason jars) while a curated vinyl collection spins in the background. Be sure to pair your pour-over with one of their famous handmade canelés or a sea salt chocolate chip cookie, both baked fresh on-site. It's the perfect spot to slow down, unplug, and enjoy a truly exceptional cup of coffee.

Pet of the Month

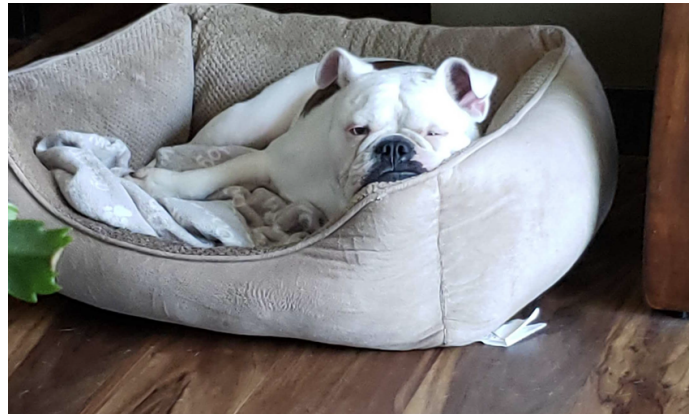

Taco Bella

Gossamer Pet of the Month: Taco Bella!

We have some "endless fun" to share this month! Meet Taco Bella, a pup who truly knows how to keep herself—and everyone around her—entertained. If you hear a light pitter-patter followed by a "swoosh," that's just Taco Bella getting a running start to slide down the hallway!

Beyond her playful spirit, she is a total neighborhood standout with some truly unique features. Have you noticed her stunning heterochromia (different colored eyes)? Or the perfectly adorable heart-shaped marking on her hip? She's a one-of-a-kind treasure, and we are so lucky to have her as part of The Gossamer family.

Be sure to give Taco Bella a friendly wave (and maybe a path to slide!) next time you see her around!
