Okay, but WHO KNEW we had this many talented artists living at The Gossamer?!

Our Pumpkin Painting Party turned into a full-on art exhibition, and we're still obsessing over these masterpieces! Seriously, some of the coolest, most creative pumpkins we've EVER seen.

Huge thanks to everyone who came out, brought their creativity, and made it such a fun night! You all understood the assignment.

Pet of the Month

Ada

Pet of the Month: Ada!

Queen of the Universe, Keeper of the Pom-Poms!

Meet Ada, the Gossamer's mysterious little ruler with a very important job: keeping the universe in order! From her favorite window perch, she supervises the streets below, keeps a watchful eye on the evening crowd at Tear Drop Lounge, and commands an impressive collection of tiny fuzzy planetoids (also known as pom-poms). Equal parts curious, regal, and delightfully mysterious, Ada takes her responsibilities very seriously. And if you have questions about her secret life? Don't bother asking. A queen never reveals her secrets!
